Dear Ms. Gaddis,

On behalf of the UNC Health Care System Administrative Professionals Conference Committee, we would like to extend our deepest appreciation. Thanks to your support, the Administrative Professionals' Conference was a great success!

This year, 160 administrative professionals from throughout the Health Care System were able to participate during the two-day event. Everyone had a great time and the evaluations were excellent. Here are some of the comments:

Susanne Gaddis:

I have had numerous people stop me in the hallways with very positive feedback. Many of our participants asked to have you come back and speak at our conference again next year. We look forward to your continued support of the Administrative Professionals' Conference.

Sincerely,
