Dear Dr. Gaddis:

What a pleasure it was to receive the gifts of your time and talents as our keynote speaker and a presenter at the 25<sup>th</sup> Anniversary Conference with TACE.

Your willingness to share your insight, ideas, and expertise with us is greatly appreciated. I have heard nothing but extremely positive comments from the attendees about the quality of the conference. This is due in large part to you and our other presenters who provided very interesting and informative sessions for our members as well as good fellowship and networking opportunities.

On behalf of the TACE Board, please accept my sincere thanks for your time and attendance at the conference. Your efforts help our organization remain strong and growing as we all continue to work toward better programs and processes within our individual areas.

Thanks again!

Warmest Regards,

Beverly Prichard  
President
