Dear Susanne:

Thank you for making the Gulf Coast Education That Works Curriculum Integration Conference a success. This year, our conference registration increased with more than 150 local ISD administrators, teachers, and staff.

The evaluations we received at the end of the day overwhelmingly praised your efforts. Conference participants expressed how valuable the information you provided would be to them as they prepared to integrate their curriculum. The best practices you shared will definitely make a positive difference in the classroom. Your efforts are truly appreciated and we hope that your experience was positive.

Thank you, once again, for all your help. Please feel free to call us if you have any questions or need additional information. As we make plans for the next Curriculum Integration Conference, your suggestions and comments are welcome. Thank you once again.

Sincerely,

Valschkia Dabney-Smith  
Area Coordinator, Tech Prep
