Dear Dr. Gaddis,

I would like to extend a sincere “Thank You!” for visiting Sam Houston State University. It was such a joy to hear you speak and I thoroughly enjoyed your workshops! Our office received so much positive feedback from the programs. Students, staff, and faculty alike raved about your sessions and mentioned that they would love to have you back on campus!

Your positive energy and zealous attitude gave our attendees a renewed sense of self, and you definitely had a phenomenal impact on our office! We really enjoyed getting to spend the day with you and learning more about your life experiences. It was such a joy to work with you, and I look forward to more events with you in the future. I will contact you this summer to possibly set up another workshop once we organize our schedules and funding.

Again, thank you so much for providing us a spectacular service. I greatly appreciate your cooperation and excitement put forth throughout the entire process. The workshops were a great success! Thanks again for everything...and have a fabulous summer!

Sincerely,

Angie Burns
