Dear Susanne:

The VNA board of directors appreciates the time you spent with us last week. Lynchburg, Virginia is not easy to reach! The delegates and attendees at the 103rd annual meeting of the Virginia Nurses Association were lifted and lightened during your Saturday session. Thanks for bringing us an encouraging message, one always needed and certainly now.

Other highlights from Saturday's agenda include President Blakeney's session; raising @ \$2,000 for our state PAC; and electing new officers and delegates to carry nursing's important work forward. VNA is committed to ANA and the efforts of CAN, and we're delighted that you are a participant in this process. We look forward to seeing you often, and continuing to connect our convention attendees and all members to additional "booster shots!"

All best wishes,

Jan M Johnson, MS, RN
Executive Director
